# ABOUT US

---

We take pleasure in introducing ourselves as **Site Master Trading LLC**, established in 1992 as *Master Traders* and later renamed to Site Master Trading LLC in 2006 as one of the leading distributors and stockists of personal protective equipment (PPE) & building materials in Dubai, United Arab Emirates.

As a safety specialist, Site Master Trading LLC maintains a broad spectrum in our hardware and building material supplies which covers a wide range and is ready to meet with any industry requirements.

We are equipped perfect to offer you an optimal full house experience, expertise and responsibility under one roof. More than just a safety requisites and building materials supplier, Site Master Trading LLC strives to be a partner with each client for a long term relationship and works hard to achieve customized and tailored solutions to our client opportunities.

This is made possible by Site Master Trading LLC presence of dedicated and educated employees. The majority of our business is within construction industry, engineering companies, facility management, hotels, hospitals, shopping malls, dry docks and government entities. In this field, we have successfully worked for high profile international and local companies to deliver premium quality solutions for their requirements.
